

Technical Data Sheet

KSW-UV200

UV Nestle Compliant
Carnauba Wax Compound

Kustom Wax Additives

Product Description

KSW-UV200 is formulated to provide consistent wax particle size in a stable wax dispersion. **KSW-UV200** is an effective slip additive with high gloss retention.

Performance Characteristics

- Manufactured using only Nestle Compliant Raw Materials
- Improved scratch and slip
- Improved water resistance and anti-blocking
- High gloss retention
- Minimal haze formation in coatings
- Easy to incorporate with no dust hazard

Usage Recommendation

2 – 6%

Physical Properties

Average Particle Size:	6 microns
Form:	Soft Paste
Polymer Type:	~40% Carnauba wax
